SMART
HOME SECURITY

FEATURES

See and hear what's happening outside a property from anywhere, on a smartphone or tablet. ERA Protect Outdoor Camera alerts user when motion is detected. Watch live or review recordings in the cloud.

- **Secure as can be.** With protected power wiring to guard against vandals and weather, your camera can be relied on for 24hr protection.
 - **Encrypted.** 128 bit SSL security, your clips will be safely stored for 30 days*
*with ERA subscription.
 - **Improved detecton.** PIR motion detection reduces false alerts.
- **Easy to use.** ERA Outdoor Camera can be accessed via smartphone and can be operated as stand alone or as part of a full security system of alarm and additional cameras.
- **Weatherproof.** This robust Outdoor Security Camera is weatherproof to IP66 international standards and is perfect for watching driveways, observing gardens and outbuildings. Complete with a fitted sun shield to deflect heat away from the Camera, you can keep a watchful eye over your property come rain or shine.
