Using Google Nest speakers with your ERA Protect Alarm and Cameras

FOR ANDROID AND APPLE

FIRST TIME USE
The first time you use the skill, you need to set your PIN to use the ERA Protect skill to disarm your alarm.
Set your PIN, by saying "OK Google, talk to Protect alarm and set my PIN". Follow the instructions from the device to set your pin.

COMMANDS
Once you have completed full set up, you can use the Google skill for these commands:

Arm – "OK Google, talk to Protect alarm and arm the Hub"

Home Mode – "OK Google, talk to Protect alarm and to set to Home Mode".

Disarm – "OK Google, talk to Protect alarm and disarm the Hub with PIN [*say your PIN*]"

Cameras to Privacy mode – "OK Google, talk to Protect alarm and turn my cameras off"

Cameras to Live mode – "OK Google, talk to Protect alarm and turn my cameras on"

If you have any questions or queries, contact the ERA Protect Customer Support team, Monday – Saturday 9am-5pm on 0345 257 2500.
