

BATTERY OPERATED WIRELESS SIREN

SIREN FEATURES

- **Strong Deterrent.** Bright coloured siren that has comfort flashing lights to show it is in operation, acts as a clear deterrent to potential intruders.
- **Easy Installation.** The Protect Siren is easy to install. You can install the back plate and then clip the front panel onto the back plate.
- **Connect within seconds.** Easy to connect to the main Protect Alarm System alongside additional sirens if required to cover other sides of property.
- **Anti Tamper as standard.** If the siren is removed from the wall or surface, the siren will sound and the user will be notified through the smartphone.
- **No wiring.** Long-life battery operated siren that ensures no complicated wiring is required.
